FENCING & RAILING

ALUMINUM
RAILING

RAILING SHOULD **NEVER** BE AN AFTERTHOUGHT

Railing is the first thing you see when you step onto your deck, it's essential for safety, and it literally surrounds you at every turn. Choose railing that sets the tone and matches the quality you want in the rest of your outdoor living space.

Key-Link aluminum railing is the premier choice for both residential and commercial spaces. Contractors and builders praise Key-Link's quality and the thoughtful details that make it easy to install. Home and business owners love Key-Link's unique design and premium craftsmanship.

Manufactured in the USA
Key-Link's products are proudly designed and manufactured in the USA to ensure a quality fit and finish.

WHAT IS KEY-LINK **QUALITY**?

- AAMA 2604 standard powder coating on railing and accessories to promote weatherability, with AAMA 2605 standard available for additional protection

- IBC or IRC code compliance for peace of mind and safety

- High-quality aluminum with vinyl inserts to hold balusters snugly and prevent rattling

- Limited lifetime warranty and 5-year prorated labor warranty

Contents

BRING TIMELESS LOOKS HOME

Key-Link's top-selling aluminum railing has a clean flat-top profile for a modern yet classic style. This versatile railing complements any design and can be paired with aluminum balusters or with Key-Link's horizontal or vertical cable infill for a truly custom look.

EXTERNAL CABLE FITTINGS

GIVE YOUR VIEW AN UPGRADE

Cable fittings allow you to turn wood, aluminum, composite, or masonry posts into vehicles for beautiful on-trend horizontal cable railing.

These slimmed down fittings have full tensioning capacity for safety and security and require only a few standard tools for installation.

STAINLESS STEEL

Stair and level fittings available.

WHAT'S YOUR ANGLE?

Key-Link's brackets can help take your railing in a new direction!
These powder coated, self-centering brackets can handle installation angles from 0-52°
horizontally and 0-52° vertically, so no matter your installation challenge, Key-Link has a bracket.

BRING YOUR SPACE TO LIGHT

Create stunning focal points and add atmosphere and safety to your outdoor living space with lighting. Key-Link's lighting is designed to pair with railing for a beautiful, seamless look. Post cap and accent lights are made from diecast aluminum and powder-coated with the same coating and color, which means both posts and lights will retain their color in the same way.

Key-Link's electrical engineers and experts have refined our lights for a long-lasting and easy-to-use system that brings exceptional outdoor lighting to your deck or porch.
